2009

Malta, 25-27/06/2009

Workshop on communication intercultural at 1st international Forum on Learning in Malta organised by the LML team and L-Università ta' Malta.

Koffi M. DOSSOU (Key & Key Communications) and Gabriella B. KLEIN (Università degli Studi of Perugia) led a workshop for teachers and school administrators on the use of verbal and visual communication within institutions, based on SPICES resources.

Maastricht/Netherlands, 05-06/03/2009

SPICES and e-SPICES are invited by Prof. Hilde van Schaeren to:

1) A SPICES workshop on non-verbal communication is held by Koffi M. DOSSOU (Key & Key Communications) for students of the Faculty of Faciliteits Management (Heerlen).

2) SPICES and current e-SPICES are presented at the Faculty of Social Work (Sittard) by Koffi M. DOSSOU (Key & Key Communications) and Gabriella B. KLEIN (Università degli Studi of Perugia) to students, colleagues and stakeholders from the local administrations within the EMOL network.

3) They attend a meeting at the Raadszaal Municipality of Maastricht with mr J. Costongs about hidden barriers for integration.

2008

Malta, 21-28/09/2008

The University of Malta has been organising a SPICES course. During the one-week course, materials which were developed throughout the SPICES course, were presented to participants. Aim of the training provided during the course was to target adults involved in intercultural encounters and to enable them to understand better the characteristics of these encounters, while presenting suggestions in order to overcome communication problems. The course was open both for local and for foreign participants.
